Introduction to our applications

Welcome home. Welcome to Mantu's Homepage.

- App launcher
- Meetings - paired with Outlook calendar
- Viva Engage
- News
- Events
- Links to all social media, ODIN,
- User guide page

Why, when, and what is Mantu's HomePage all about?

Think of the Mantu HomePage as your **welcoming gateway to all of Mantu's digital tools**. Not only is it where you'll find your launchpad to our suite of apps, but it's also your daily digest for the latest group news and upcoming events.

Designed as a **collaborative digital hub, everyone's voice matters here**. With neatly categorized articles, finding what you need is a breeze. Imagine the best of BBC and Bing's homepages but crafted just for Mantu.

Your shortcuts

My favourite apps

Set up quick access to your most-used apps here. Simply head to the app launcher, select your favorite apps, and they'll sync right up.

My meetings

This section syncs seamlessly with your Outlook calendar. To join a meeting, just click on it. For more details about the meeting, tap the small Outlook icon on the right.

Viva Engage

Offers a direct view of your Viva home feed, allowing you to post and engage from the Homepage. To open Viva in a separate window, click the small icon on the top right. (Note: Access to this feature is exclusive to those with Viva Engage permissions.)

The latest news

News feature

View the latest headlines and pinned articles here.

Reading & engaging: simply click on an article to read it. Feel free to like or comment on articles to show appreciation, share insights, and more. Click "All news posts" to explore a broader range of articles.

Contribute: want to share news? Click the "+" button. For a detailed walkthrough, refer to the "Sharing your news" section of this guide.

B

Not embracing AI leads to obsolescence

November 14th, 2023

Bilan Magazine

Mathieu Ragetty, EVP Digital Marketing & Experience at Mantu, highlights how businesses that don't adopt AI will face obsolescence. He explores the transformative potential of AI, its impact on productivity, and the case for its effective integration.

Don't skip the footer!

The footer is packed with handy links:

- Stay connected: access our social media and the main website with ease.
- Quick tools: direct links to the app launcher, Viva, and ODIN are right there.
- Need help? If you hit a snag, click "Get Support". Our stellar 911 team is ready to assist and help you resolve any issues you might have. 😊

Ready, set, go!

You're now fully equipped to dive into the Mantu HomePage. The entire Marketing and Communication team is cheering you on! We're eager to read your news and join in on your events. Remember, if you ever feel lost or uncertain, we're just an email away at marketing@mantu.com.

The Mantu HomePage was crafted with you in mind. Your feedback and ideas can help make it even better. Feel free to share your thoughts in the comment section below or drop us a line at marketing@mantu.com. We're all ears!

Pssst, remember! The HomePage is also available on your cell phone through the Teams app!

Hello Viva Engage

Timesheet: working hours

Each month, you must complete your timesheet and send it to your manager for approval **through the Timesheet app**. This step is mandatory to get paid.

Fill in your timesheet and
send it for approval

**before
the 20th (12 noon)**

1

2

3

4

Your Manager has to
approve it **by the 23rd**

You can still amend your
timesheet until
THE LAST DAY OF THE MONTH

Your monthly quality bonus (QB) will be
impacted if you don't fill in your timesheet
on time.

The screenshot shows the MONTU Timesheet app interface. At the top, there's a navigation bar with options: 'My Statement', 'My Events', 'Management View', 'Administration View', and 'Team Calendar'. Below this, there's a status bar indicating 'Not Completed' and 'MPS Details'. The main area is a calendar grid for September 2021. The grid shows days of the week (Monday to Sunday) and dates. Each date has a corresponding timesheet entry with AM and PM slots. The interface also shows a 'Work from Home', 'Request Holiday', and 'Declare Sickness' button on the right. The bottom section includes a 'SUMMARY' button and a 'COMMENTS' section.

Any doubt, please check the
caption in "Summary" below the
table

SUMMARY

Timesheet: sickness & holidays

Through the Timesheet app, you can also:

- declare sickness
- request holidays
- Monitor your absence history.

To declare Sickness

Click on **Declare Sickness** and follow the steps.

Please note that sick leave policy will vary according to the country you are working in.

To request Holidays

Click on **Request Holiday** and follow the steps.

Holidays should be requested:

At least 1 week before for a leave period **< 3 days**
At least 3 weeks before for a leave period **> 3 days**

- * It is advised to take your paid holidays during client's shutdown
- * You should use all your paid holiday before requesting unpaid holiday
